MEMORANDUM FOR: Members, DCI Security Committee

25X1
FROM:

Chairman

SUBJECT: DCID 1/19 Issues - Vote Sheet

1. Col. Mercurio has returned the reworked DCID 1/19 and identified unresolved issues in attachments to the draft DCID 1/19. The Compartmentation Subcommittee explored these issues and summarized their pros and cons.

2. Members are requested to consider these issues carefully and in the light of the broad needs of the Community, and then register your positions on the attached or suggest an additional proposal that may be acceptable as a viable alternative.

3. Also attached for your consideration are the comments of a group of senior security officers in industry.
